Certified Gemological Laboratory Reference

Dear [insert reference name here]:

You have been given as a professional reference by [insert candidate name here] on an application for AGA's Certified Gemological Laboratory credential. The purpose of this designation is to acknowledge those working gem labs which uphold high ethical standards and have exceptional day-to-day competence in the technical aspects of gemology.

We appreciate your taking a moment to consider this person's professional reputation. Please return this letter with your candid comments to help us complete the certification process. All field sizes are limited.

Dear AGA Committee,

Based on your experience, is the applicant of good character?
